About the conference

4th International Conference on Multidisciplinary Research & Practice (4ICMRP-2017) will be held during 22nd December 2017 at Ahmedabad Management Association, ATIRA Campus, IIM-A Road, Ahmedabad, Gujarat, India. 4th International Conference on Multidisciplinary Research & Practice (4ICMRP-2017) is a premier venue for researchers and industry practitioners to share their new ideas, original research results and practical development experiences.

The primary goal of the conference is to promote scientific information interchange between researchers, developers, students, and practitioners working in and around the world. English is the official language of the conference.

This conference will be held in Ahmedabad a vibrant and historical city which is home to multiple academic institutions and where visitors can enjoy a variety of activities and entertainment. Ahmedabad is the largest city in the state of Gujarat. With a population of more than 5.8 million and an extended population of 6.3 million, it is the fifth largest city and seventh largest metropolitan area of India. It is also ranked third in Forbes' list of fastest growing cities of the decade.

Ahmedabad is one of six operating divisions within the Western Railway zone. Railway lines connect the city to towns in Gujarat and major Indian cities. Ahmedabad railway station, locally known as Kalupur station is the city's main terminus. Ahmedabad has a Bus Rapid Transit System (BRTS), maintained by the Ahmedabad Janmarg Limited (AJL). Sardar Vallabhbhai Patel International Airport, 15 km from the city centre, provides both domestic and international flights. It is the busiest airport in Gujarat, and the eighth busiest in India with an average of 250 aircraft movements a day.

Humble Request

Participants are requested to arrive in a timely fashion for all addresses. Presenters are reminded that the time slots should be divided fairly and equally between the number of presentations, and that they should not overrun. The Session chair is asked to assume this timekeeping role.

Presentation Guidelines

1. All presenters of oral presentations must report to the conference manager in advance of each session.
2. Presenters can either use the laptop provided or connect their own laptop to the projector however if you use your own Mac please ensure you have the requisite connector.
3. **You have to send your presentation by email on or before 17.12.2017** to 4icmrp@rsisinternational.org. In the subject you should indicate your name and unique manuscript ID (UMI). The file name must indicate unique manuscript ID (UMI). We will send you a confirmation email once we have the presentation in the system. If you have a video or audio file embedded in the presentation we recommend using a standard video and audio codec compatible with Microsoft PowerPoint.
4. Presentation time is critical; each paper is allocated 10 minutes for lecture sessions. This time includes setup and questions from the audience. We recommend that presentation of your slides should take about 10 minutes.
5. Slides attract and hold attention, and reinforce what you say – provided you keep them simple and easy to read. Plan on covering at most 6 points per slide, covered by 6 to 12 spoken sentences.
6. Make sure each of your key points is easy to explain with aid of the material on your slides. Do not read directly from the slide during your presentation. You shouldn't need to prepare a written speech, although it is often a good idea to prepare the opening and closing sentences in advance. It is very important that you rehearse your presentation in front of an audience before you give your presentation.
